PURPOSE OF ECCLI –NRCP PROGRAM

- To deliver respite care to carers and the people for whom they care in a variety of settings which best meet their needs.

RESPITE CARE IS:

- A short term break from their usual caring role.
- Assistance with the performance of their caring role on a short term basis.
- Quality alternative care for the person for whom they are the primary carer.
- Assistance which relieves the carer of everyday tasks. (e.g. cleaning, shopping).

WE GUARANTEE PRIVACY

The National Respite for Carers Program is funded by the Australian Government Department of Health and Ageing .

Why not Talk to us?

MISSION

ECCLI is committed to enhance the quality of life of all complex needs of frail aged, younger people with disabilities and their carers by supporting them in their own homes for as long as practicable in cooperation with family, community and all relevant services.

HOW CAN WE HELP

- Making it easier for people to access and use existing services
- Ensuring that potential clients are informed and understand what assistance is available.
- Keeping in touch with people in need of help and quickly responding to changing needs.
- Providing direct assistance tailored to individual needs.

LANGUAGE ASSISTANCE

We have case managers and support workers who speak languages other than English to assist with communication to eligible clients.

HOW DOES THE NRCP PROGRAM WORK?

Anyone can refer you to ECCLI NRCP Program.

Your needs are first assessed by the Coordinator and a care plan is tailored to meet your needs.

NRCP services attract small fees.

However, if you have difficulties meeting those charges the coordinator may waive those fees.

SPECIFIC TARGET GROUPS

Carers of people from Culturally and linguistically diverse backgrounds

Carers of people with Dementia or Challenging Behaviour

Aged carers of younger people with disabilities who are living at home.

Carers of people who are frail and aged
